

SUMMER PROGRAM PRICING

The CA administration and CASP staff have developed a program that offers summer fun for those children that attend while also providing affordability for the family. Much thought and planning goes into field trip events to insure that balance.

Tuition:

FULL DAY (available Monday *through* Friday): over 4 hours

...\$40.00 / day for the first child

...\$34.00 / day for the second child or more

...required on Tuesdays, Wednesdays and Thursdays

HALF DAY (available *only* Monday and Friday): 4 hours or less

...\$26.00 / day for the first child

...\$21.00 / day for the second child or more

...only possible on Mondays and Fridays
