## **REQUIRED for All Grades:**

- Face Covering** - Each child will be required to wear a clean mask to school each day. We suggest having 3-5 masks at home to ensure a clean one is available each morning. Specific colors are not required, but masks should be school appropriate.
- Spare Face Covering** - Place an extra mask in a Ziplock bag marked with your child's name and store it in your child's backpack. If your child's mask gets soiled during the day, we will use this backup and you will need to replace it that evening.
- Water Bottle** - Label with your child's name. The use of drinking fountains will be highly discouraged. Students may refill water bottles as needed throughout the day.
