Welcome to CA Summer Program

Dear Parents,

Clintonville Academy's Summer Program has become an incredible experience for children. CA Summer Program provides a secure environment where kids can truly enjoy the sunny days of summer. This year, we are thrilled to introduce two program options: HandsOn! and GameOn!

HandsOn!

In this program, the emphasis will be on learning and engaging activities. We will have engaging activities focusing on book club/reading, science, art, music, drama, and more!

GameOn!

In this program, participants will be introduced to class/team building activities both indoor and outdoor. We will also have participants rotate between soccer, basketball and other sports.

Each week, participants will visit the pool at least once per week in addition to weekly field trips. Program structure is much like a regular school day with a set schedule in a style where participants have fun, make new friends in a safe and fun environment.

Warm regards,

Andrew Sobol

Assistant Director, Clintonville Academy

Weekly Field Trips

Into the Woods:

- On Tuesdays, we will visit a local metro park to go hiking, play outdoor games and enjoy the outdoors!
- Participants will need to bring a hat, sunscreen, and a packed lunch in a brown label paper bag.

Swimming:

- Once per week, normally on Thursday, we will visit the Worthington Recreation Center to go swimming!
- Participants will need to bring swimsuits, towel, crocs or flip flops, swim goggles, and a plastic bag (for wet swim clothes) in a labeled swim bag.
